

SKY VIEW
HOMES

NOW IN

EL BOSQUE @ \$409,500 **

Choose from any of our selected El Bosque home sites we have selected and we'll build any of our Sky View Homes in this unique setting for the cost of a larger Sky View home, plus only \$50,000!

Each home will be specifically positioned for its unique lot in El Bosque. Varying from a fifth to almost a half acre, many of these home sites actually back to the open space areas & arroyos, offering a variety of view orientations ranging from the dense forested Bosque to the magnificent vistas of the Sandia Mountains.

Choose any of our Sky View Home floor plans including the 2310, 2525, 2580, 2545 or the 3132 add \$50,000 to the larger lot cost and you're there!

This is an incredible opportunity that won't last long!

Available selected lots include: 3,12,32,34,35,43,44,51 & 52

Lot 2 & 30 are being built as "SPECS" and are 2580 & 2700 SF respectively.

** \$409,500 represents our Sky View 2310 SF Model.
